*To the Senate and House of Representatives of the United States in Congress assembled:*

The undersigned, members of the late army of the Cumberland, most earnestly petition Congress to aid them in their endeavor to erect a statue to the memory of their great commander, the late Major-General George H. Thomas, the hero of Nashville, Chickamauga, and Lookout Mountain. The great services rendered by this gallant commander during the war, and especially in the Southwest, are too well known to every Member of Congress to need particularizing in this memorial. We trust that the same kind consideration which Congress has shown to the memory of Admiral Farragut and General Rawlins will be extended to their no less distinguished compatriot, George H. Thomas.
